MEMORANDUM FOR: Director of Training

SUBJECT: Employment of Retired Officers

1. In a meeting with the DDCI this date the Office of Personnel was asked to canvass the major components of the Agency to determine the current interest in employment of retired or retiring regular officers of the armed services.

2. This Office is not aware that you have under consideration any retired officers of the armed services whose appointment would require the authority contained in Public Law 53. We will appreciate confirmation of this understanding at the earliest possible date.
